

May 7, 2013

Dear Customer,

Xandex notifies customers of changes that may affect the form, fit, function, quality or reliability of a product at least 90 days before its implementation.

Please find the attached Product Change Notification (PCN) for the pneumatic controller MCU change. Xandex Engineering confirms there is no change to the pneumatic controller functionality. Specific details of the change are contained in the attached notification.

Xandex complies with the widely-recognized JEDEC Standard JESD46C which stipulates: "Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change."

Please acknowledge receipt of this notification within 30 days.

We ask that you forward this notification to all affected users of this product within your organization.

Please refer to the attached FAQ for detailed information. If you have additional questions or support requirements, please contact your Xandex Customer Service Representative at their direct email address or at [insidesales@xandex.com](mailto:insidesales@xandex.com). You may also call us at 707.763.7799.
