Description of Change to Customer:			
Replacement of the black dye used in 7824, 7824T, 8103, and 8104 Xandex Inks.			
Reason For Change:			
The black dye used in Xandex Inks has been discontinued by the manufacturer. Replacement dyes from the same manufacturer are undergoing qualification testing.			
Customer Impact of Change and Recommended Action:			
The revised ink formulation has passed all testing criteria to date. Customers are advised to perform their own required verification process on their specific target wafer materials.			
Forecasted Key Milestones: Subject to change based on business conditions			Date:
Complete Internal Qualification Testing			Complete
Samples Available To Order			1-May-19
