

REACH COMPLIANCE- XANDEX INKS

This statement regards the REACH compliance of inks and ink remover supplied by Xandex, Inc. The REACH regulation 1907/2006 applies to chemical substances manufactured or imported into the European Union (EU) in quantities greater than one (1) ton per year. Manufacturers and importers shipping to the EU in quantities greater than the threshold quantity of one (1) ton per year must pre-register the substance with the EU.

Xandex does not ship any of our inks to the EU in quantities greater than one (1) ton per year. Therefore, Xandex ink products are not subject to the REACH registration requirement.
